

Red Knights International Firefighters Motorcycle Club

Winter 2011

My name is Chris Gadway; I am the new International Vice President of the Red Knights MC, A charter member of RKMCM4, and a volunteer firefighter at Hunting town VFD in Maryland, USA.

We now have over 400 MAL's on the roster spread across the globe. Our ranks are growing fast. I am receiving an average of an application a day. One of my main goals is to address concerns of some members, in reference to communication with all of you. A huge amount of work has gone into the international website(www.redknightsmc.com). The newsletters are now posted on the website instead of mailings.

There are some really great forums on there as well. I hope to get a MAL newsletter out via email this winter, including rides and events. The International helps fund many rides and rallies, try to attend some if you can. Please feel free to send me info on some in your area. I am also working on an interactive Google map that will help us all. It will give us a visual aide on the locations of all our chapters and MALs. The chapters will all have an email associated with their link and MAL's will have my email associated with theirs (unless otherwise requested)

It's that time of the year to remind you of the annual dues. To make it easier we are now able to make the MAL dues payment online:

<http://redknightsmc.com/merchandise/MALSdues.htm>

Or the postal mail address :

RKMC Treasurer

**Leo J. Patry 6000 Battersea Road, RR # 2 Battersea,
Ontario, Canada, KOH 1H0**

The dues are the same as last year: \$15.00 for Active member and \$10.00 for a Social Member. When I get confirmation of payment you will be sent a letter with a new membership card, plus direct contact information for me and your regional director.

I hope you have had a great, safe riding season. For those in warm climates, the rest of us are jealous.

**Merry Christmas and Happy Holidays to you and yours,
from the International Red Knights, your worldwide family.**

Also be aware that it costs a little more than domestic mail to send a letter to me in Canada so check with your post office to ensure that there is enough postage on the envelope so that it is not returned to use for lack of postage.

TRADE MARK LICENCE AGREEMENT

All chapters must have a trademark license agreement to use the Red Knights Name or Logo there is a blanket license that permits the chapters to use the name and logo for chapter business forms such as letter head, business cards, etc. this must be applied for from the International secretary at secretary@redknightsmc.com. A policy effective January 1, 2011 has been set that any chapter not having a TMLA in effect by February 15th 2011 will be placed on restricted service till they are in Compliance.

EIN (Employer Identification Number)

All chapters should have an EIN this is a number required by the IRS and is needed to open a chapters bank account.

The practice of using a chapter member's private bank account or social security number is not a good business practice and puts that person at risk of additional taxation and possible blame if there is ever a question about finances.

The EIN is easy to obtain and the International treasurer can provide you with further reason to have an EIN and how to obtain one either on-line or over the phone, there is no cost to this and after filing out either the on-line form or answering the questions over the phone the EIN number is given to you and followed up with a letter from the IRS.

Once a chapter has an EIN they should contact the International treasurer so that the number can be registered in the chapter's files.

Generic Membership Cards

Membership cards can be obtained for the chapter members by ordering them from the International secretary at secretary@redknightsmc.com cards will be issued based on the total number of members in the chapter with a few extras for new members joining.

Please contact me if you have any questions at all about any of the information outlined above either by Email or by telephone

Leo Patry International Treasurer

Born February 14, 1945 in Hull Quebec, Canada Moved to Kingston Ontario in 1949 the area where I still call home. Married to Ann my wife of 37 years, have three children two Girls, Crystal and Laura-Lee and a son Paul who is also a Firefighter with the city of Kingston and the President of the Ontario 7 chapter Quinte which is also my home chapter.

I started my firefighter career as a member of the Fire crew at the DuPont plant in Kingston in 1962 when the opportunity came along in the fall of 1964 to join the Kingston Fire department as a full time firefighter I jumped at the chance. I progressed through the ranks of the department up till my retirement in December of 1997 as the department's Deputy Chief.

I became a Red Knight late in the fall of 1989 when I joined the Ontario 7 chapter, since joining the chapter I have held the positions of Chapter Vice-President, Treasurer, and Road Captain in 1993 I became involved with the Red Knights Organization at the international level and have held several positions at the International level those being:

Secretary of the Board of Directors 1993 – 1994
Chairman of the Board of Director 1994 – 1995
International President 1995 – 1997
International treasurer 1998 to Date

I humbly ask for the support of the membership in re-electing me to an eighth term as International treasurer. During this time with the help of the International Board I have helped the Organization to grow and prosper, We currently are on the doorstep of a lot of exciting things for our club in the development of a truly International Organization, with an expansion of opportunities for all of our members to have new and exciting events and destinations put on by Red knights available for them to attend and enjoy, with countless opportunities to make new friends with Firefighter/Red knights from all over the world.

The board has over the last several years worked very hard to streamline and make transparent the operation of the International and to give more autonomy to the chapters to simplify the levels of administration needed to run a chapter so that a greater emphases can be placed on the fraternal and social aspects of the club at the chapters level, in that the main reason for the chapters to exist is to follow our Mission statement to share the common interest in Motorcycling, promotion of motorcycle education and safety along with the common ground of Firefighting. Basically to get out and ride, meet fellow firefighters and form new friendships.

I feel that with my back ground and involvement with past achievements of the club I still have a lot that I can contribute to the future prosperity of the organization with sound logic and planning, I so hereby solicited the support of the all the members in my re-election.

Red Knights Host The Island

The members of the Red Knights Motorcycle Club (RKMC) PEI Chapter 1 spent the day hosting firefighters from across Prince Edward Island.

Each year the PEI Firefighters Association holds a trade show along with its annual general meeting. In the past, this show and meeting has been hosted by fire departments across the Island on a rotating basis through each of the counties. For 2010, RKMC partnered with the Firefighters Association to be the host “department.” For the first time ever, this event was held at the PEI Firefighters Association’s Fire School.

The trade show included displays by 20 vendors and organizations from throughout the region, completely filling the truck bays as well as part of the training area, with product displays and demonstrations going on outside.

In addition to the product displays and meetings, RKMC brought in eight speakers for learning opportunities throughout the morning. The theme of this year’s sessions was “*Partners-For-Life*” and focused on the organizations the fire service partners with on a regular basis as part of each other’s role in serving the community. Sessions were held by Ground Search and Rescue, Hazardous Materials Team, RCMP, and Emergency Medical Services to name a few.

The partnership RKMC forged with the Firefighters Association was designed to provide the Red Knights with an opportunity to be more visible in the fire service. Chapter 1 on PEI was created only a few years ago and there are still a number of firefighters in the Province who do not know who we are.

Another objective of the day was to see how well the chapter could run an event like this as practice for hosting the Red Knights International Convention in Prince Edward Island in 2014. By all accounts from vendors, members, presenters, and the Firefighters Association, the members of Chapter 1 were able to host a very successful trade show and annual meeting.

Thanks to the vendors in attendance and the sponsors for this event, RKMC PEI 1 exceeded its fund raising goal and was able to donate to the Firefighters Association a cheque for \$500

DFW USMC Toys for Tots Motorcycle Run

As far as the eye could see, chrome, leather and love lined the roads for the 5th Annual Toys for Tots Motorcycle Run in McKinney on December 4th. Marines were on hand to accept and load the generous gifts for their annual fundraiser.

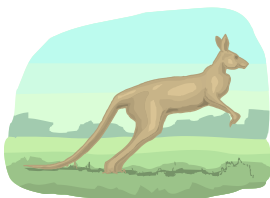

One of the event founders, David Marks, commented, " 654 motorcycles were registered with over 807 riders, but many arrived after the registration closed and just joined in the ride. This was the greatest turnout. The weather was beautiful and the scenic 44 mile ride was awesome."

Major General USMC (retired) Bill Gossell ,who is the civilian liaison, was very honored to attend the event and be the official spokesperson. Dozens of volunteers made the huge undertaking run like clockwork. Blue Star and Gold Star Mothers were in attendance to collect donations and sell raffle tickets to help support the many projects that benefit our troops. Gold Star Mother, Gina Trovillion and Blue Star Mother, Karen Marks were delighted that they had just sent off 200 gift packages to our troops overseas. Mrs. Marks said, " My son was being deployed today. I said good-bye to him at home this morning and came here to do my part for the other sons and daughters away from home at Christmas."

This time of year brings out the generosity of many people, but North Texans are extremely generous and patriotic all year round. The Lone Star State may not be alone in its generosity and kindness, but I believe their star shines brighter than all the rest.

Red Knight Help-A-Knight Program

Have you ever been traveling and thought, "Gee I don't know anyone around here. Where is the best place to eat, stay, or get my bike worked on?" That's what the Help-A-Knight program is for – to maintain a database of Red Knights who are willing to accept telephone calls and help fellow Red Knights. Some of the help may be for information, or other options you may help on is if a RK member can stay overnight, pitch a tent in your yard, or leave their bike at your house.

The Red Knights Help-a-Knight program available on line at www.redknightsmc.com
(Click on Membership and then Help A Knight)
(You need Adobe Acrobat to read the file).

We continually update the version that is available on the web page. Below is the registration form to add or update your information in the H-A-K program. Please look over your state listing and let our editor know if there are people listed who are no longer members of your chapters.

Let us know if you use the H-A-K program on the road, and what stories you have about meeting up with your Red Knight brothers and sisters while on the road. Thank you.

The Broken Spoke Campground is offering all Red Knight members 10% off any tent camping, rv site, or cabin booked for Sturgis 2011. Perks if 50 or more Red Knights stay at the Broken Spoke during Sturgis 2011. Including a party with food and drink or free breakfast.

The Broken Spoke is a great place to camp for the Sturgis rally. It has many amenities, great entertainment, and it is a prefect place to ride out for day trips. It is also one of the few campgrounds (possibly the only) that will allow us to wear our Red Knights jackets and vests.

Find out more about the Broken Spoke at
<http://www.brokenspokecampground.com/>

To take advantage of this offer use the discount code "redknights" when reserving online or when you book over the phone at: 877-653-6679. Rates for camping increase on January 15th. You get the best possible price by reserving now.

We are hoping to have a large turn-out of Sturgis going Red Knights at The Broken Spoke. As the rally nears and we have an approximate number of Knights camping the MN#4 chapter would like to work with other Knights to plan get togethers, day rides, and whatever else we can come up with.

If you plan to attend let me know so we can keep you in the loop about events. It has been the aspiration of the Vice-President of MN#4 to have the opportunity to gather and get to know the Sturgis going Red Knights. He has committed to planning a day ride if we have big showing!

Thanks for considering joining the fun at The Broken Spoke. I hope this discount and the promise of good times with fellow Red Knights help make your decision easy!

The Red Knights won Knights of the Round Table event in 2010. As a result the Red Knights are hosting the 2011 event.

The web site is now on line for the Knights of the Round Table Tournament being held in Gettysburg, Pennsylvania, October 14-16 2011.

**The web address is :
www.gotkt.org**

Please forward this web site to all the chapters in your region so that we can have a large turnout of Red Knights.

Flyers for this event are in the process of being readied and will be available
shortly
