## 2008 Summer update....

A thanks to all the members...

At the July 4th BBQ the members voted to host and fund an outing for the members of the chapter as a THANK YOU for being part of the Red Knights.

The officers have been pouring over brochures and web pages looking for “the” special event to serve as this year’s club thank you. We thought we had found it with the *Green Mountain Flyer*. Their schedule posted a foliage train from Bellows Falls to Ludlow, Vermont for the Ludlow “Chili Festival.” **BUT** as we were getting ready to make a commitment and purchase the tickets we realized that Ludlow had their festival on one weekend and the train had their scheduled ride to the festival on another weekend! It was one of those “left hand/right hand” communications failures.

So we are still working out the details for our thank you to you the members. Instead of trying to fit something special into what is left of our busy ride schedule we are looking at winter time events that will give us good reason to gather and have fun together when the cold winds are blowing!

**W**e wish all those headed to the convention in Ohio a safe ride...

And depending on the travelers’ departure plans, maybe we can ride with them for a while (and find a breakfast or coffee spot) to see them on their way!

Best wishes to Donna Moreau as she heads to Qatar (in the Middle East) to begin a teaching assignment for two years. It will be quite an adventure and we can’t wait to see her back for a few weeks at our Christmas Party in December!

Donna’s email is [Donamore@aol.com](mailto:Donamore@aol.com) if you would like to keep in contact with her while she is away.

## LABOR DAY CELEBRATIONS!

Labor Day Weekend Cookout

We have the pavilion and grills reserved at the Tully Lake Recreational area in Royalston.

*The Tully Lake Recreation Area provides picnic tables, grills, horseshoe pits, a small playground, a boat ramp, and toilets. There is also an open field area. Swimming is permitted, but not directly at the boat launch site.*

Meet at the Westminster FD at 10:00 a.m. and we will take a ride and end up at our Pot-luck BBQ destination! Bring something to throw on the grill, and a dish to share and we will enjoy the Labor Day Holiday Weekend together!

We’ll have the grills going for noon!

### Killington Classic in Killington, VT.

(Thursday through Sunday) September 4-7

This year the Killington Classic is sponsored by the Killington Area Chamber of Commerce and there is no registration fees for the event.

Similar to past years there are organized rides to choose from, vendors, and the parade on Friday evening. Again this year the “Classic” coincides with the Vermont State Fair in Rutland.

State Rep Steve Mickle has been negotiating with several hotels and has received a good deal for us all. Thirty rooms are set aside for the Red Knights at the North Star Lodge at a cost of \$59 per night (plus tax) (regularly \$89). They are on the road to the Mountain and just a few minute walk to the Gristmill Restaurant.

Mention you are with the Red Knights when you call to make reservations. 800-422-2296 — room availability is limited — [www.northstarinn.com](http://www.northstarinn.com).

More information about the Killington Classic is at [www.killingtonclassic.com](http://www.killingtonclassic.com)
